### **Building Better Beings A Theory of Moral Responsibility**

Building Better Beings presents a new theory of moral responsibility. Beginning with a discussion of ordinary convictions about responsibility and free will and their implications for a philosophical theory, Manuel Vargas argues that no theory can do justice to all the things we want from a theory of free will and moral responsibility. <http://greatergood.tv/Building-Better-Beings--A-Theory-of-Moral-Responsibility--.pdf>

Third, Vargas argues that an adequate theory of responsibility will be revisionist, or at odds with important strands of ordinary convictions about free will and moral responsibility. This book provides a compelling and state-of-the-art defense of moral responsibility in the face of growing philosophical and scientific skepticism about free will and moral responsibility.
