The Myth of the Culture of Poverty Educational Leadership

The myth of a "culture of poverty" distracts us from a dangerous culture that does exist the culture of classism. This culture continues to harden in our schools today. It leads the most well intentioned of us, like my friend Janet, into low expectations for low-income students.

<http://greatergood.tv/The-Myth-of-the-Culture-of-Poverty-Educational-Leadership.pdf>

65 Poverty and Learning The Myth of the Culture of Poverty

Chief among these is the "culture of poverty" myth the idea that poor people share more or less monolithic and predictable beliefs, values, and behaviors. For educators like Janet to be the best teachers they can be for all students, they need to challenge this myth and reach a deeper understanding of class and poverty.
