Is Postmodernism a Good Thing or a Bad Thing? March 12, 2010 / 2 Comments. Radical individualism left to each one s reason and experience to find a foundation for knowledge results in tossing truth, knowledge and certainty out the window. ABCs of Acts Bible org

Acts is a fast-paced, action adventure book which chronicles the birth and growth of the early church from the Jewish center of Jerusalem to the Gentile capital Rome. In addition, it is a bridge-like sequel to the Gospels that precede it and background for the epistles that follow. But most of all, Acts is a tribute to the transforming power of God, as evidenced in the Apostles' lives.
