The rise of media Streaming has accelerated the downward fall of industry DVD rental companies such as Blockbuster. In July 2015 an article from the New York Times published an article about Netflix's DVD service. It stated that Netflix is continuing their DVD service with 5.3 million subscribers, which is a significant drop from the previous year. On the other hand, their Streaming service has 65 million members. In a recent 2020 study assessing the Impact of Ebook Streaming over traditional DVD Ebook Rental it was found that respondents do not purchase DVD Ebooks nearly as much anymore, if ever, as Streaming has taken over the market. Watch Ebook what the bible is all about, viewers did not find Ebook quality to be significantly different between DVD and online Streaming. Issues that respondents believed needed improvement with Ebook Streaming included functions of fast forward and rewinding, as well as search functions. Watch what the bible is all about Ebook Online Blu-ray or Blu-ray rips are encoded directly from the Blu-ray disc to 1080p or 720p (depending on disc source), and encode the x264 codec. They can be ripped from BD25 or BD50 discs (or UHD Blu-ray at higher resolutions). BDRips are from a Blu-ray disc and encoded to a lower resolution from its source (i.e. 1080p to 720p/576p/480p). A BRRip is an already encoded video at an HD resolution (manually 1080p) that is then transcoded to a SD resolution. Watch what the bible is all about Ebook BD/BRRip in DVDRip resolution looks better, regardless, because the encode is from a higher quality source. ### **What is the purpose of the Bible GotQuestions org**

Question: "What is the purpose of the Bible?" Answer: The Bible is great literature and the all-time number-one best-seller. It contains history, entertaining stories, poetry, philosophy, and personal letters. But, more than that, the Bible is God's Word. If we have to speak of a single purpose of the Bible, it would be to reveal God to us.

Q. Isn't the Bible inspired? A. Yes, it is. God inspired the various writers to write what has been preserved for us today in the Bible. But the translators were not all inspired in their work. God's guidance is dependent upon your degree of submission to Him and ability to listen to His Spirit.

Chaucer is the great appropriator in English literature. Troylus and Cresyda is for all purposes, with some changes, of Boccaccio's Philostrato, without Chaucer acknowledging it as such.
